2020 Rocky Mountain Rally

Bulletin 2
October 28, 2020

2.1 Official Entry List and Start Order

The official entry list and provisional start order as of October 28 is attached to this document. Note that the first four stages before the reseed are all 5km long, and it isn't expected that teams would catch/pass each other without a mechanical problem forcing that issue. The reseed will be based on the times for the first three stages.

2.2 Entry Form Information

Every team must fully complete their online entry forms. If you have not saved the entry form page for editing, you can contact the registrar to get that link.

2.3 Recce Information

Stage maps, start/finish coordinates, and basic directions are attached. The route book will be sent out to registered teams as soon as it is ready.

2.4 Stage Video

Raw video showing the full length of all stage roads is available at https://youtu.be/kHDUW7plZQg

2.5 Stage Schedule

The stage Schedule is attached to this bulletin. There may be minor distance changes subject to a route check.

2.6 Inquiry Process

There will be a steward and deputy Clerk of the Course available at the service in controls to accept any inquiries. Teams may either make a verbal inquiry that will be passed along or can show a neatly written inquiry to the steward or Deputy Clerk who would photograph the inquiry and email it to the CoC. Decisions will be posted to the Virtual Notice Board and every effort will be made to inform the team of the decision as soon as possible.

2.7 Vehicle eligibility Inquiries

Because of the different tech inspection process, the deadline for class eligibility or vehicle legality inquiries will be at the end of the first service.

2.8 COVID-19 Precautions

We will be issuing detailed precautions next week, but teams should plan for social distancing, hand sanitizer, and mask wearing during the event. It is important that the event is seen to be acting responsibly and adhering to all recommendations from Alberta Health.

2.9 RallySafe Units

RallySafe units and temp install kits will be issued at Registration. It is imperative that the units are completely installed in the car and successfully booted up by Friday evening. This may require the car to be outside until it acquires a good satellite signal. We recommend the power lead is removed from the units if parked indoors overnight. Teams are requested to have the units powered up before leaving for the service park. As a reminder, RallySafe power should be full time 12v, and not switched through the master breaker.

RallySafe units will be collected immediately following the last stage and we ask that the teams be ready to disconnect the units and hand them to our officials. We will be collecting ONLY the units at this time, arrangements can be made to return any loaner install kits at a later time.

Recce Instructions

Rocky Mountain Rally Nov 7, 2020
Organised by the Calgary Sports Car Club

The stage roads are available for open recce between 9an and 3pm.
Open recce means that you can make as many passes of the road you want, and you can stop and turn around as you see fit. However, a recce speed limit of 60km/h, and all the associated penalties are still in force.

There will be no volunteers at the start or end of stages. There will be no sweep services during recce, and the area is outside of cellular service. Start and finish locations will be marked with Rocky Mountain Rally signs.

We will have crews out taping and preparing the roads during recce, and they will also be monitoring competitor behavior/speed. It is imperative that you drive respectfully around other users. You can also expect logging and oil tanker traffic on the Loop stage from Alpha to the junction at 1km into the stage.

Recce Cheat Sheet
Mileages approximate

Alpha to Bravo Stage (Loop East)
ATC Is shortly after the first entrance to a pullout on the left
0.00 Start is in line with second entrance to the pullout on the left
1.00 Keep Right and go through gate. Caution truck traffic from right
1.70 Hairpin Left

Bravo, transit to Alpha
0.00 Turn Left onto Hwy 68
0.80 Turn Left into Control Zone

Bravo to Alpha Stage (Loop West)
ATC is at the gate before the corner
0.00 Start is at the tree on the right... I know this sounds vague.
1.90 Chicane Start
2.1 Caution off camber, tree outside
3.4 Hairpin Right
4.2 Caution truck traffic from left

Alpha, transit to Bravo
0.00 Turn Right onto Hwy 68
0.80 Turn Right into Control Zone

Alpha, transit to Charlie
0.00 Turn Left onto Hwy 68
4.30 Turn Left into Powderface Trail
4.8 ATC at Bridge

Charlie to Delta Stage (Powderface South)
0.00 Start at sign “Hwy 66 34km”
No junctions, drive until you hit pavement. Turnaround

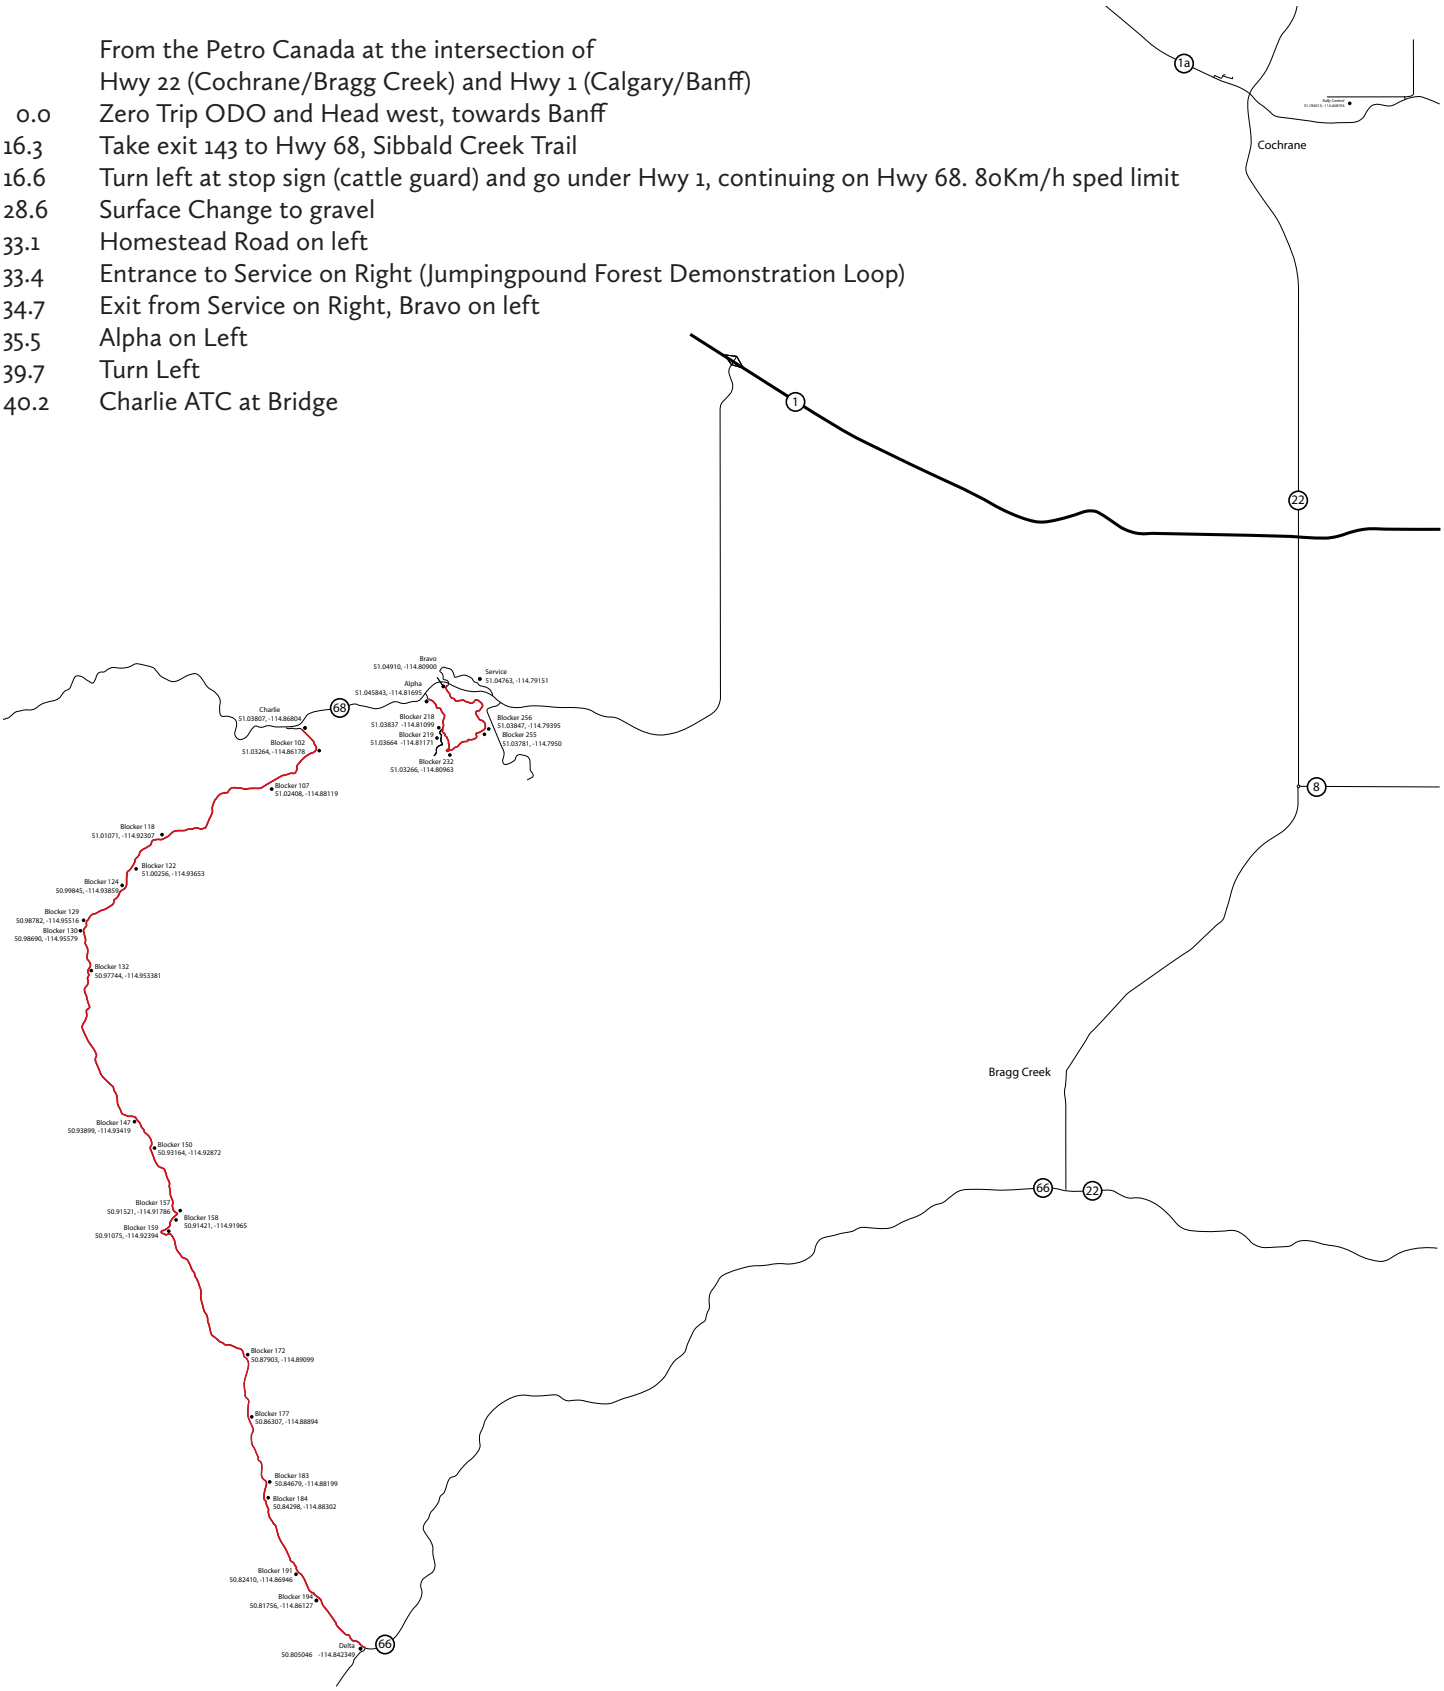
Delta to Charlie Stage (Powderface North)
0.00 Start at small sign
No junctions until you reach Charlie

Overview Map

Rocky Mountain Rally Nov 7, 2020

Organised by the Calgary Sports Car Club

	From the Petro Canada at the intersection of
	Hwy 22 (Cochrane/Bragg Creek) and Hwy 1 (Calgary/Banff)
0.0	Zero Trip ODO and Head west, towards Banff
16.3	Take exit 143 to Hwy 68, Sibbald Creek Trail
16.6	Turn left at stop sign (cattle guard) and go under Hwy 1, continuing on Hwy 68. 80Km/h sped limit
28.6	Surface Change to gravel
33.1	Homestead Road on left
33.4	Entrance to Service on Right (Jumpingpound Forest Demonstration Loop)
34.7	Exit from Service on Right, Bravo on left
35.5	Alpha on Left
39.7	Turn Left
40.2	Charlie ATC at Bridge



Loop - 5.36 km
