4-2 Provisional Scores

After implementing the changes implemented by the Steward's Decision, and after a thorough review of stage times, max lateness, and other irregularities, the scores currently posted should be considered provisional.

The results are available at: http://www.rallybc.com/results/bigwhite/2016/results_main.html

The Stewards of the meeting have set a five calendar day period for further inquiries. Where an inquiry changes the results, Scores will be re-posted and the five day review period will be reset.

If no inquiries are received before 2359h PST on December 20, 2016, these results will be considered final.
