

Competitor Bulletin 1

October 21, 2017

1-1 Parc Expose

Parc Expose has been removed from the schedule. Art. 24 of the Supp Regs is no longer applicable.

1-2 Registration and Tech Inspection

Tech inspection is no longer in reverse seed order. Please schedule a tech time with the registrar at Mike.Deb.Dyer@gmail.com

1-3 Start Order and Stage Schedule

The start order has been posted to the event website and stage schedule has been posted to the event website and virtual notice board (<https://www.rallywest.com/vnb/122>).

1-4 Travel to Reg & Tech

Please note the main road to Cochrane Image Autobody on Saturday may have a detour. Please refer to the map enclosed.

1-5 Rallysafe Install

Competitor vehicle must have the Fitting Kit installed in the vehicle prior to tech. The Rallysafe unit will be provided and installed during tech. Teams requiring a Fitting Kit can contact Keith Morison at Keith@morison.ca.

1-6 Recce

While recce is open from 12:00-18:00, recce must be done in the following order:

A to B (Pass #1, #2)

C to D (Pass #1)

D to C (Pass #1)

B to A (Pass #1, #2)

C to D (Pass #2)

D to C (Pass #2)

Recce cards and instructions corresponding to the routebook will be provided in the package at registration.

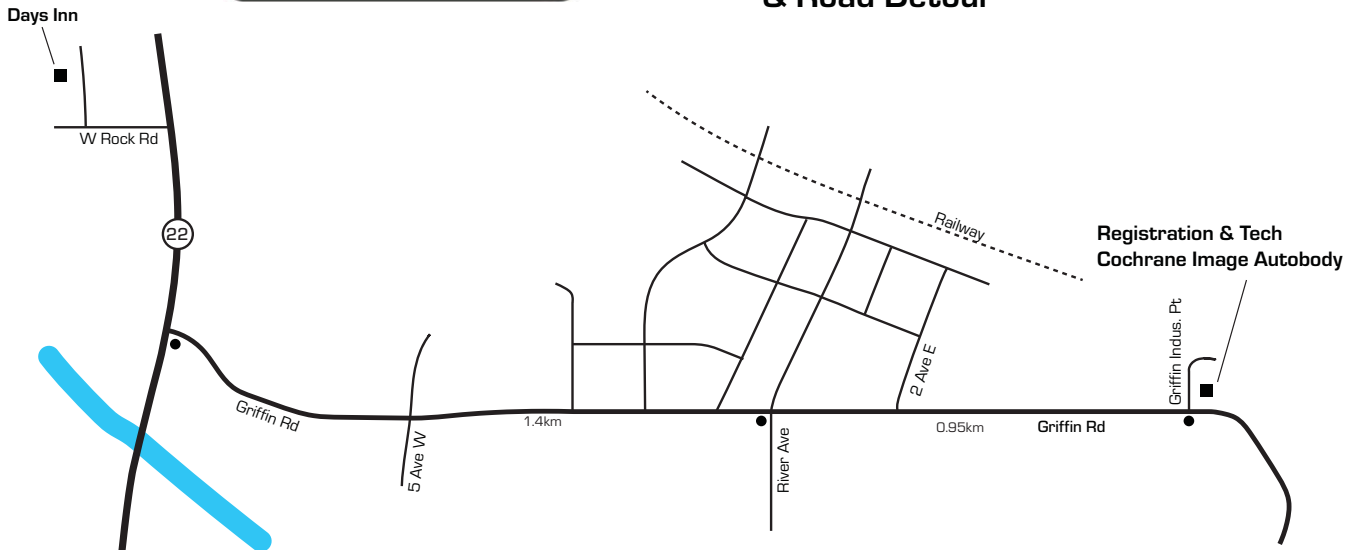

1-7 Service Move-In

Reminder that service spots will be assigned. To ensure you are in your desired location and to confirm move-in time, please contact Wayne Mayall at wrmayall@gmail.com.
