

2018 Cochrane Winter Rally  
March 3 & 4, 2018  
Competitor Bulletin 4  
Issued: March 3, 2018

**B4-1 Service Park**

Due to the Service Park at the Burnt Timber Recreation Area not being plowed, the new service area is along the Hunter Valley Road just west of the Junction of Hwy 40. Marshalls will be on site to help guide you. You are to park along the left side (south side).

Please use a spotter so you do not park in the ditch.

You will have to service in-line with your tow rig and trailer, and allow room for other traffic to pass by on the road.

Fuel will be located at the exit from service. Which means service crews will need to relocate the fuel from one end of the service area to the other after the first service of the day.

After the second service, service crew are encouraged to pack up and move the rigs and trailers onto Hwy 40, while there is still daylight.

**B4-2 Routebook Changes**

Please note the following changes to the routebook:

Page 9	Inst. 23	68.34	Turn Left into Hunter Valley Rd.
Page 9	Inst. 24	68.54	Service Area
