4-1 Sunday Start Order and Out Times

Sunday's Start order and Service Out Times have been posted on the website at <http://rallybc.com/results/bigwhite/2019/reseed/l3s1s1.html> and is attached to this bulletin.

4-2 Ploughing

Because of significant snowfall during the day on Saturday, we have had the roads ploughed overnight, starting at about 10pm. There will be a layer of snow left on the stage, plus any further snowfall overnight..

4-3 Start windows

After evaluating the reseed and pace of the competitors this weekend, we are assigning two minute start windows to the first 7 cars on the road.
