

2021 Rocky Mountain Rally

Bulletin 3
September 26, 2021

3.1 New Provisional Start Order

The provisional start order is being re-posted, now including speed factors based on Rallye Defi 2021. The extended break from competition has led to less than accurate speed factors for some competitors, so the start order may not reflect the performance on the day of the rally.
There will be a reseed after the first two short stages.

L'ordre de départ provisoire est en cours de réaffichage, incluant désormais les facteurs de vitesse basés sur le Rallye Defi 2021. L'interruption prolongée de la compétition a conduit à des facteurs de vitesse moins que précis pour certains concurrents, de sorte que l'ordre de départ peut ne pas refléter les performances du jour de le rassemblement.

Il y aura un réensemencement après les deux premières étapes courtes.

3.2 Reseed/Restart

There will be a reseed after Service 1 at TC 2c and after Service 2 at TC 4c.
There will one opportunity to restart the event, after Service 2 at TC4c

Il y aura un réensemencement après le Service 1 au TC 2c et après le Service 2 au TC 4c.
Il y aura une opportunité de redémarrer l'événement, après le service 2 au TC4c

Studded tires compliant with 12.4.3 are allowed, but must be presented at technical inspection. We don't anticipate studded tires will be needed.

Les pneus cloutés conformes au 12.4.3 sont autorisés, mais doivent être présentés au contrôle technique. Nous ne prévoyons pas que des pneus cloutés seront nécessaires.

3.6 Cochrane Ag Society trailer parking

Teams may park their trailers and work on their cars at the Cochrane Ag Society grounds starting from Wednesday evening. We will only have security on site overnight Thursday and Friday, but the area is considered safe. If parking overnight on Wednesday, park on the north side of the lower barn.

Les équipes peuvent garer leurs remorques et travailler sur leurs voitures sur le terrain de la Cochrane Ag Society à partir de mercredi soir. Nous n'aurons la sécurité sur place que pendant la nuit jeudi et vendredi, mais la zone est considérée comme sûre. Si vous stationnez la nuit le mercredi, stationnez du côté nord de la grange inférieure.

3.7 Cell Coverage

The entire rally happens outside of reliable cellular phone coverage. There are some small spots with coverage on the transits and in the service park. A cell phone booster will help coverage. There is some cel coverage approximately 5km east of the service park.

L'ensemble du rallye se déroule en dehors d'une couverture de téléphonie mobile fiable. Il y a quelques petits spots avec couverture sur les transits et dans le parc d'assistance. Un amplificateur de téléphone portable aidera la couverture. Il y a une certaine couverture cellulaire à environ 5 km à l'est du parc d'assistance.

3.8 Paperwork by the 27th

The registrar is asking all of the teams to have all of their paperwork, including event and covid waivers, submitted electronically by September 27. With all of your documentation submitted, registration will only be distribution of documents and only one team member needs to attend.

Le registraire demande à toutes les équipes d'avoir tous leurs documents, y compris les dérogations à l'événement et à la covid, soumis par voie électronique avant le 27 septembre. Avec tous vos documents soumis, l'inscription ne sera que la distribution des documents et un seul membre de l'équipe doit y assister.

3.9 Service Park

The service park is tight for space, and teams will have to be cooperative when moving in. A diagram and provisional assignments will be distributed in a future bulletin.

Le parc d'assistance manque de place et les équipes devront se montrer coopératives lors de l'emménagement. Un schéma d'attribution des places sera publié dans un prochain bulletin.
