

Competitor Bulletin 1 – November 3, 2025

Service Park

Due to the large number of entries, the Service Park will need to be tightly controlled. See below for a map of the Service Park. Service spots will be marked, we're still determining the exact method. The service spots will have the following approximate dimensions:

- A-J – 18x36
- L-O and S-V – 20x29
- Q – 18x29
- P and R – 20x34

Service spots L-V can be reserved for a fee of \$10 each. Should multiple teams request those service spots, preference will be given to crews servicing multiple rally cars. All unreserved service spots will be available on a first come basis Sunday morning. Teams are asked to arrive to the Service Park together if wanting to service together. To reserve a spot, please Email Myron.Wintonyk@GMail.com by Thursday November 6 at 18:00 with the subject "Kananaskis Service". Fees can be paid at registration.

Just a reminder, no parking is allowed on the grass and no parking is allowed within the Service Park outside your service spot. Vehicles and trailers that do not fit within your service area can be parked on the Service Park exit road, past the refuel station.

Note: The Service Park is not open until 7 AM Sunday November 9. Do not enter the area prior to that time. If you arrive prior to that time, please line outside the red line.
